## Autumn term 2 2023

Dear Parents/Carers

First of all, I must say a HUGE well-done to our little thespians - the nativity performance was great. I'm very proud of all the children; they work hard practicing during the run-up to the performance.

We've had a fun filled autumn term 2, exploring seasonal celebrations. We made rockets and firework pictures and learnt Guy Fawkes was a bit naughty! We learnt how important it is to remember the soldiers that died and the soldiers who keep us safe as we covered Remembrance Day and we had some 'spotty' fun taking part with Children in Need.

For the last 2 weeks, we will be creating wonderful Christmas crafts and beginning to wind down. We will turn our role play room in to a cinema and watch Christmas movies before ending the term with a party and a visit from Santa!

We return on Monday 8<sup>th</sup> January; this will be a morning session and a lunch club only, we will also be welcoming some new families, which is always exciting.

Our new topics for spring term will be - 'Weather & Seasons', followed by Stories & Rhymes. We'll be making Dens during the spring term, so if you have any unwanted large boxes (big enough to fit a toddler in!) during Christmas, please send them in!

We've had a great year with fantastic support from our parents - so a big thank you to you all. All that remains is to wish you all a very Merry Christmas and a happy new year!

Tina and the team.

### Notices - Urgent Appeal

Unfortunately, we didn't manage to fill the space of Chairman at our AGM. We do have a temporary placement but we need a permanent fixture! We're looking for someone who loves children and who is willing to take on the responsible for the management team. This is a great opportunity to become actively involved with a local group. As the preschool is well established and run by an experienced practitioner, the chairman role can involve as much or as little time as you wish to commit to it.
