Autumn term 1 2021

### Dear Parents/Carers

Welcome to Autumn term 1. We would like to say a big Hi and welcome to Ollie, Elsie and their families - we do hope you enjoy your time at St. Peters preschool.

Our topic for this term is about 'People Who Help Us'. We have started off by thinking about medical professionals that help us. We've set up our own Doctors surgery with a treatment room with lots of bandages and plasters! We had walking aids to explore, body and ECG mats to investigate and the tricky game of operation to master!

We will learn that shops provide us with everything we need and how technology helps us to serve ourselves.

We will also learn about how our teachers help us and hopefully will get to visit our old friends at BIG school to see what happens there!

We will finish Autumn term 1 with a week of Harvest and Halloween activities chosen by the children.

The reformed EYFS has now begun, hopefully you have received new targets from your key workers that are a little more focussed on child-centred achievements. With this in mind we will introduce a new achievement incentive as 'star of the term'. This will be awarded to an individual that we feel has achieved a significant personal achievement throughout the term.

When we return after the mid-term break our topic will change to 'celebrations' as we start to think about the gun powder plot, Diwali, Remembrance day and Christmas!

If you ever have any questions about any part of your child's time with us, please feel free to get in touch.

Tina and the team.
