St. Peter's Pre-school Newsletter

Autumn term 2 2026

Dear Parents/Carers

We've had a busy but fun filled autumn term; we've explored the story of Guy Fawkes and his naughty friends, we've made poppy tributes for the fallen soldiers and we had a fun tea-party raising £36 for Children in Need.

Still to come…exploring shaving foam by squishing, smearing and making tracks. Then we'll swap it for Reindeer food to compare textures. We'll be creating Christmas artwork, writing letters to Father Christmas and chilling out watching Christmas Movies!

During the last week of term, we will be welcoming our new friends that'll be joining us for the new year. During that week, we'll also have a visit from the Barfield Bell Ringers, Cookie the Clown and hopefully Father Christmas!

This term we introduced 'French Friday' with Madame Cassidy teaching the children a welcome song, happy & sad emotions and colours. The children have enjoyed their sessions and we're hoping to continue this for Spring term. So far, we've only managed one outing for Wellie-Wednesday, but we're hoping to get out around the village more next year.

When we return on Monday 4th January; our topic will be 'All about Me. At some point we'll be asking for copies of baby photos to complete some activities.

We would like to thank you for your patience while the Church refurbishments caused a few issues and send you our heartfelt thank you for your support.

Have a Merry Christmas.

Tina and the team.
