St. Peter's Pre-school Newsletter

Summer Term 2 2026

Dear Parents
This term we've been exploring **Nature and Growth**, learning how important it is to look after the world around us - plants, animals, and ourselves. We're very proud to share that we've managed to grow our own tomatoes, and our cucumbers are finally on the way. (*as our first attempt didn't go quite as planned*!)

The children enjoyed watching tiny caterpillars transform into butterflies, and they were excited to see them fly off on to the flowers they've been taking turns to water. We've also been learning that everyone learns differently, and it's been lovely to see our older children helping the younger ones to 'follow the rules'. Some of them are already showing real teacher skills for the future!

After our sports day we will begin to slow things down and start the task of cleaning all the toys we've used this year – which becomes a social and fun event!

Some of our children will be moving on to big school, so we'll have an end of term party to send them off and wish them luck.
End-of-year reports for our leavers, and blue learning journals for those staying with us, will be going out soon. Please could we ask you to sign and return the parent comment slip - your feedback helps us improve our practice.

Fingers crossed we continue to get more spells of **warm** (not hot) weather so we can get our paddling pool out. A notification will go out so you can send your child in with swimwear and a towel.

Enjoy sports day and what's left of the term!
Tina & the Team

Dates for your Diary

25th June – Deadline for photo orders

26th June – Sports Day

26th June – Fundraising Event

3rd July – Teddy Bears Picnic

17th July – End of Term

20th July – Leavers Party (separate letter to follow)

7th September – start of Autumn Term – **am session only**.

Points of interest

I would like to send a huge thank you to all the parents who contributed to our Nature Garden. It may have taken a little longer than planned, but the end result will be fantastic, and we know the children will enjoy it for years to come.

Your generosity and support mean so much!

Join our committee for 2026/2027

As a non-profit organisation, we rely on fundraising and the support of volunteers. If you'd like to get involved or you think you can help in any other way, please speak to Tina.
We'll soon be looking for a secretary and more fundraisers to join us – we're planning to hold our AGM in early September.
